

We have had such a busy few months here at Sherrington House, with lots of fun going on, just how we like it!

July

We set up a new Facebook page at the beginning of July. This has been a huge success with lots of positive feedback from relatives saying how lovely it is for them to see what their loved one gets up to from day to day.

We only post pictures of residents who have signed a consent form, for those who are unable to do this we ask a family member to sign on their behalf.

Please see a member of the engagement team or ask Paige in the office to send you a consent form if you are unable to come in.

If you haven't done already please look us up on 'Sherrington House Care Home' like our page and you will get updated every time we post on there.

July 10th Musical memories

We had such lovely time singing and dancing with the volunteers from Musical memories. They sing old time songs and involved the residents with props, whilst really encouraging them to join in.

July 27th Summer Fete

We did not let the rainy weather stop us from having a brilliant day for our summer fete.

We moved the stalls all inside and still managed to raise nearly £500 towards entertainment and days out for our lovely residents. What a great success!

It was so lovely to see so many family members come along to the fete to support the home. As always we are so thankful for the support and generosity you all give to us in donations and a big Thank You to Janette for the beautiful cake happily won by Joy in the kitchen.

July 30TH CDC Street dancers

We had the children from CDC Street dance come to dance for the residents. This was so lovely for them to watch. There were children of all different ages, some as young as 5 dancing.

HAPPY BIRTHDAY TO YOU!

We visited Dedham therapy farm where we were able to get up close and personal to some animals. The residents who came along absolutely loved it... as shown in the pictures below.

September 3rd Felixstowe

September 4th The man on the moon for lunch.

We had a lovely meal at the Man on the moon pub. Some of the residents even enjoyed a cheeky alcoholic beverage.

September 5th Felixstowe

We had another trip out to Felixstowe as it was such a lovely day. More Fish and chips, fun in the arcades and ice-cream...We also had some cheeky hot sugared donuts...yummy!!

September 6th -Needham lakes and Lunch at the Royal George pub.

It looked like it was going to rain so we took some of our residents to Needham lakes for a cup of tea and some biscuits and a wander down to the lake to feed the ducks and geese.

We then went to the Royal George pub for a yummy lunch.

September 8th and 22nd Car boot at Ardleigh

After asking for donations of unwanted items, Sarah and Dee got up bright and early and headed to Ardleigh car boot sale to sell our goods and raise money for our lovely residents so that we can provide them with fun activities, outings and entertainment.

At the first car boot we did on September 8th we managed to raise £125, and on the one on September 22nd we raised £175.20, that's £300 in two car boot sales. We couldn't have done it without the kind donations from both the public and you relatives, so Thank you so much.

We are hoping to ask head office for a shed as our Christmas present so that we can store donations and do regular car boots in the Spring and Summer months.

September 19th Risby Country Fair

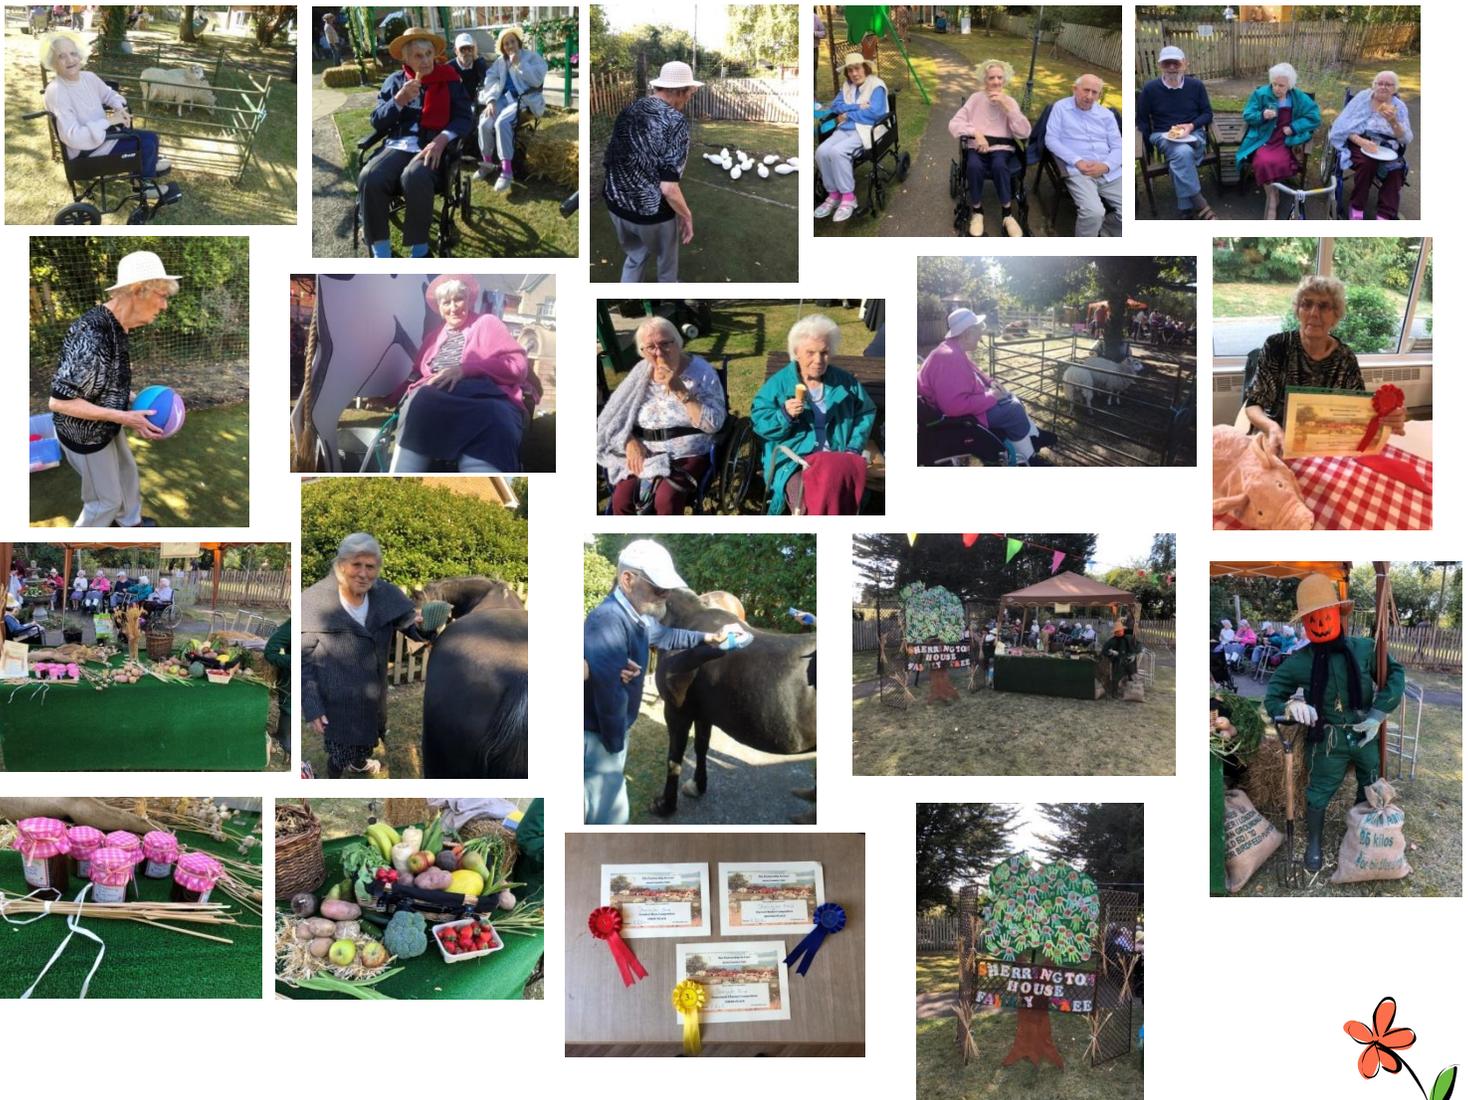

We had a brilliant day at Risby Care Home for the Country fair. We met up with all the other Partnership in care homes and all had our own gazebo for each home where we showed off products we had made, like jam, chutneys, our scarecrow and the wonderful family tree that we made with our residents.

There were lots of fun activities like bowling, a dog show, face painting, a singer, and animals. There was a hog roast and ice creams.

At the end of the Country fair, Emma and Rachel, the directors called out the winners of each section.

We came first for our creativity with the family tree, second for our harvest basket, and third for our homemade chutney. We were so proud of ourselves.

Phyllis also won the bowling game and won a pig teddy, which she was really happy about. She had three goes and got a strike every time. Well done Phyllis!
